Important Information

July intake students: International students should select courses for the full 12-month programme. Domestic students should select 2026 courses only; 2027 enrolment will open closer to the start date.

Core courses and Strand options: Students must complete the four core courses and choose one strand only.

Award of qualification: Ākonga must successfully complete the four core courses and the four courses for their selected strand to be awarded the NZ5567 NZ Diploma in Information Technology (Level 5) qualification. (Eight courses in total equalling 120 credits).

Pre-requisites: If a course has a pre-requisite, then you must pass the pre-requisite before enrolling on the subsequent course.

Transition arrangements: Ākonga currently working towards version 2 of NZ2597 NZ Diploma in IS (Level 5) must complete their requirements by 31 July 2026 or transfer to NZ5567 NZ Diploma in IT (Level 5). Transition pathways will be managed on a case-by-case basis.

3. Once complete, email or attach
